

## **Charity Benefit Notice of Request for Proposal**

### **About the Adams Fall Run**

The Adams Fall Run Committee is a non-political organization, a non-profit 501 C 3, that supports the American Legions and various sponsoring/supporting veteran entities in local towns in Massachusetts. Each year our appreciated patrons and sponsors generously donate to helping our veterans in need through the Adams Fall Run, LLC. making this one of the single largest, multi-collaborative thriving Legion events.

This year the Adams Fall Run Committee will hold the 3rd ICONIC Annual (motor cycle ride through the Northern Berkshire Fall Foliage) Fall Run of Saturday "TBD." This year the event is going out to bid for hosting the event. The objective is to put the "after ride" party into the hands of a professional organization that best represents the mission, vision, and passion the event represents to our riders, sponsors, and ultimately our veterans' cause.

Historically, 100% of the proceeds from this event are donated to benefit the Legion's ALR and Posts that service the Northern Berkshire County and Worcester Counties.

The following sample criteria for the Request for Proposal are:

- The candidate is a legal entity form of business within the state of Massachusetts organized for charity benefits.
  - The candidate's location can park 200 motorcycles.
  - The candidates can provide food, adult beverages, outdoor room for cycle games.
  - The candidates will provide security and safety of the riders while attending the event.
  - The candidates will be willing to share in the day's gross profits from any charges to the event's participants.
  - The candidates will have a coordinator to the Adams Fall Run, LLC. Please refer to the actual Request for Proposal Application to see more details.
